**Notes:**

The department determined some projects are ineligible for SDWLP funds based on the Notice of Intent to Apply or Priority Evaluation and Ranking Form received by 12/31/12. Ineligible projects are not included on the Project Priority List.

<sup>1</sup> The department obtains MHIs for sanitary districts through the U.S. Census Bureau. Morrisonville, Seneca and Troy Center project priority score may change after the SDWLP obtains Median Household Income (MHI) information from the U.S. Census Bureau.

<sup>2</sup>Chili, Laona and St. Joseph's SDs are considered Census Designated Places, (CDP) so the dept. uses the CDP MHI.

<sup>3</sup>The department has not assigned priority scores to these projects; the municipalities must submit more information before the department can determine whether these projects are eligible for SDWLP funds.

<sup>4</sup>These projects have received funding from another fiscal year.
